### State Aid Declaration

The granting of the public house relief will not result in our organisation exceeding the State Aid Threshold of €200,000 during the last 3 years (De Minimus Regulations EC 1407/2013).

Should your circumstances change in the future so that your organisation no longer meets the qualifying criteria, you must notify us immediately, so that the public house relief can be removed from the date of change.

By signing this application form, you agree that, to the best of your knowledge, the information contained on the form is complete and is not false. Willfully making a false statement on the application form is an offence and may result in us taking legal action against you.
